

Exercise 1: Introduction of integrity management for WSIs

By the end of this exercise, participants will:

- ☞ *Know the scope and objectives of the integrity management workshop.*
- ☞ *Have a common understanding of what is meant by integrity in WSIs.*

time	activity	materials
20 min.	<p>1.1. Introduce the concept and rules of the workshop to participants, clarifying the idea, scope, and principles of integrity management in WSIs.</p> <p>Ask participants about their expectations and display them on a flipchart.</p>	<p>✓ Introductory presentation</p>
30 min.	<p>1.2. Introduction to integrity: Ask participants to write down the three main ideas they associate with “integrity in a WSI,” each on an individual card.</p> <p>Place cards where they are clearly visible on a wall and group them (for example, along the three dimensions of the definition of integrity in WSIs). Clarify any ideas that are unclear.</p> <p>Use the ideas as a basis to introduce the operating principles for integrity in WSIs.</p>	<p>✓ Color cards and pens</p> <p>✓ Flipchart with operating principles</p>
