

# The UN Global Compact CEO Water Mandate

14 April 2010 – New York

**United Nations** Global Compact

# The Ten Principles

## Human Rights

Business should support and respect the protection of international human rights within their sphere of influence; and

make sure they are not complicit in human rights abuses.

## Labour

Business should uphold the freedom of association and the effective recognition of the right to collective bargaining;

the elimination of all forms of forced and compulsory labour;

the effective abolition of child labour;

the elimination of discrimination in respect of employment and occupation.

## Environment

Business should support a precautionary approach to environmental challenges;

undertake initiatives to promote greater environmental responsibility;

encourage the development and diffusion of environmentally friendly technologies.

## Anti-Corruption

Business should work against all forms of corruption, including extortion and bribery.

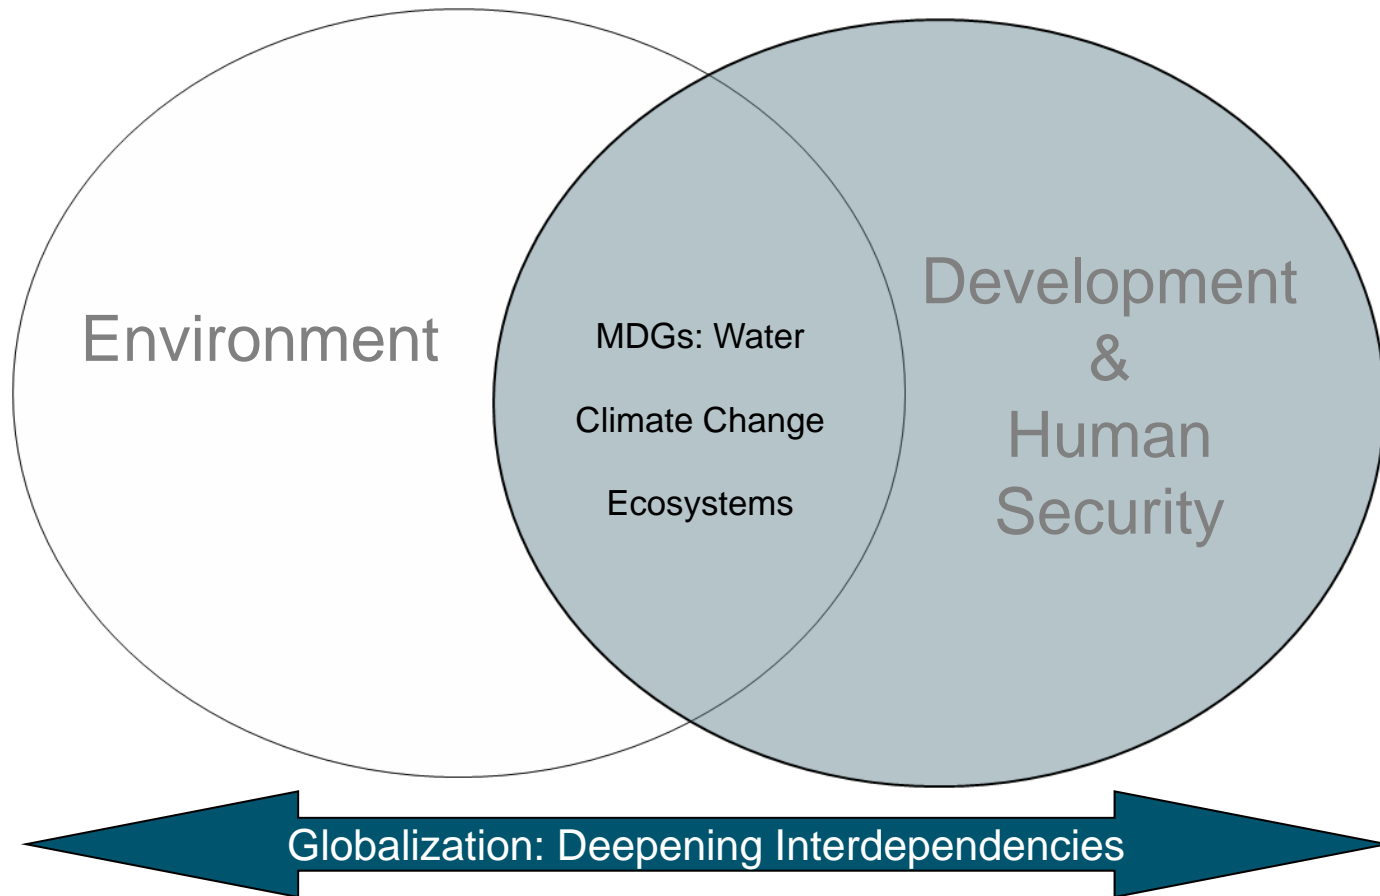

# Company Implementation of UNGC Principles: New Performance Model

Guides companies through the process of committing to, assessing, defining, implementing, measuring, and communicating a corporate sustainability strategy
