## AWS European Regional Initiative “European Water Stewardship (EWS)”

European Water  
Stewardship  
Standard

+ Glossary  
+ Guideline

Inspection  
and  
Certification  
Scheme

Communication  
Guidelines

# Standard

## 4 Principles

Sustainable Water  
Abstraction

Equitable Water  
Governance

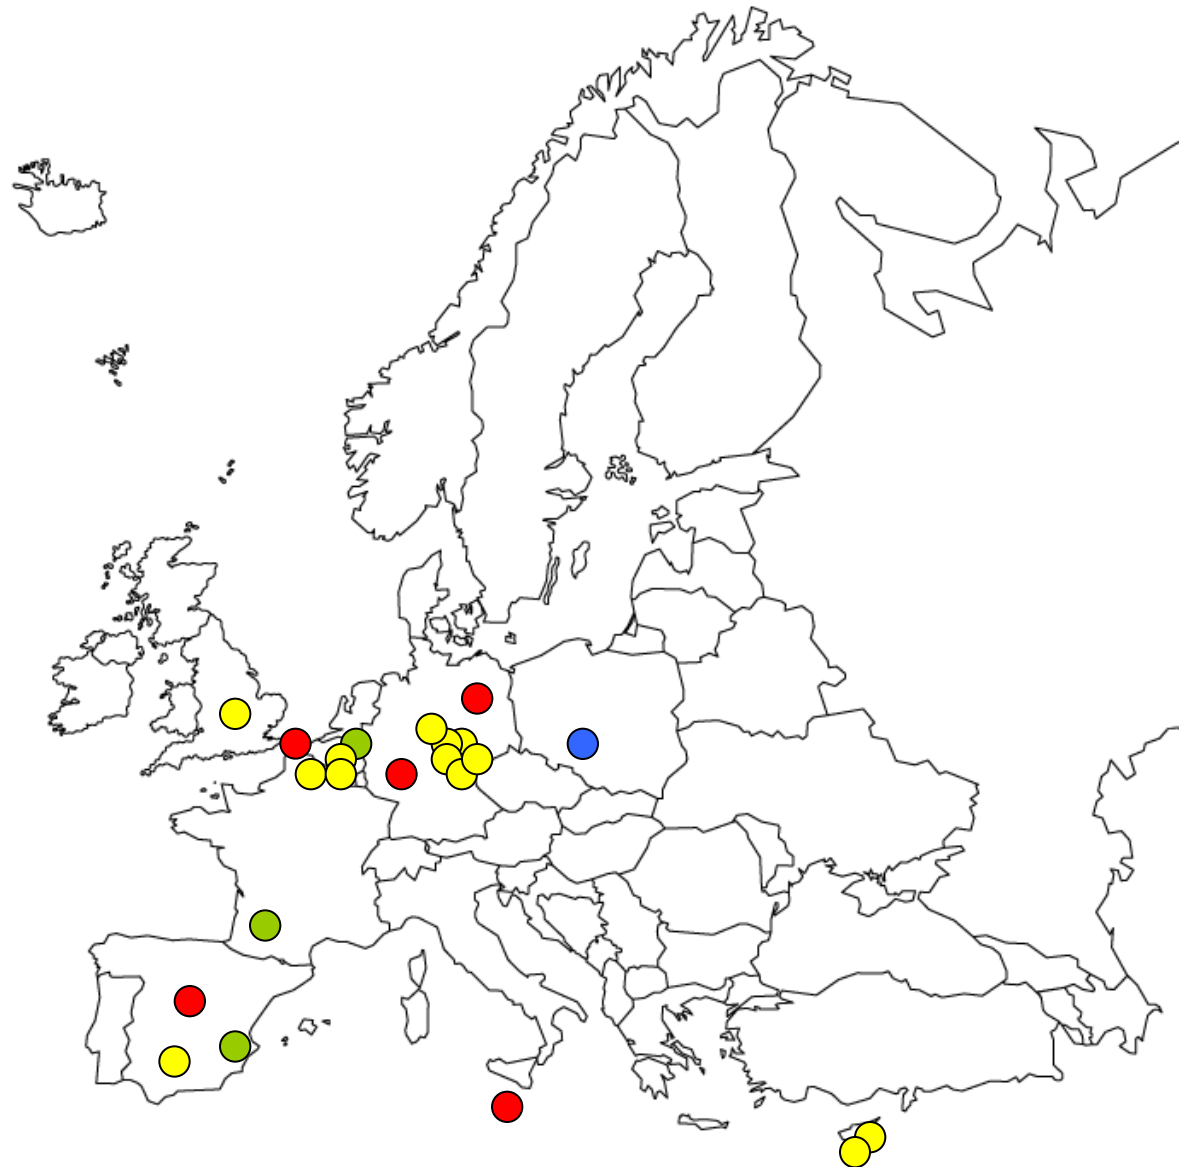

Good Water Status

High Conservation  
Value Areas

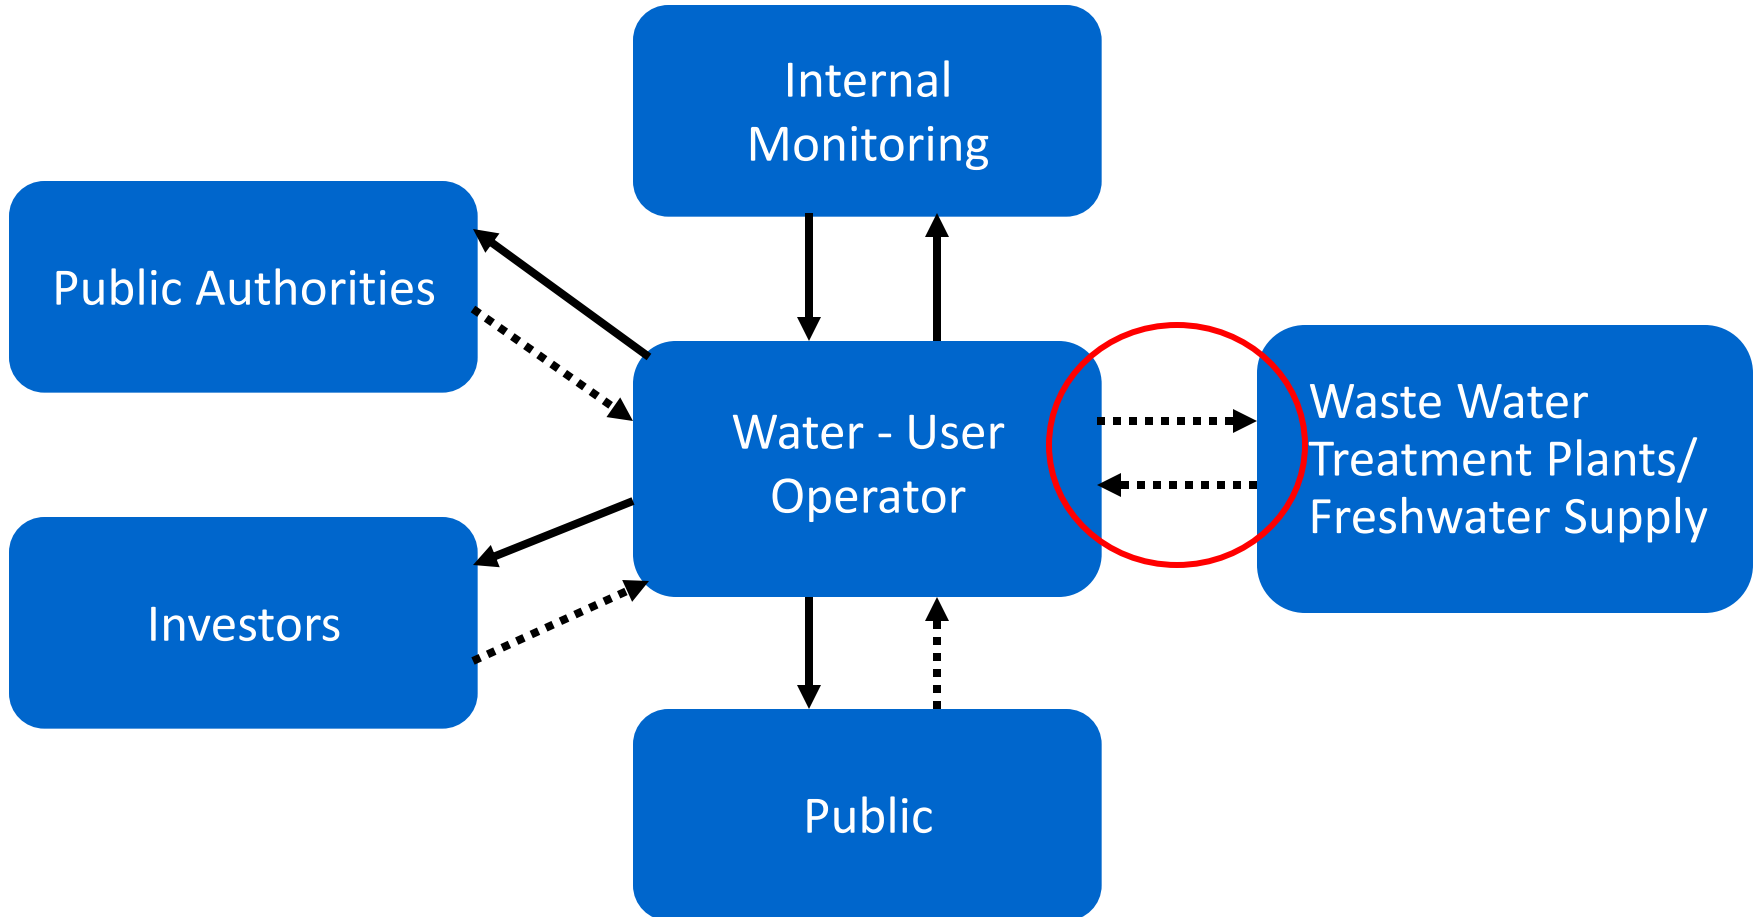

# Pilot Studies

Pilot organizations:

- Industry
- Agriculture
- Golf
- Urban Areas

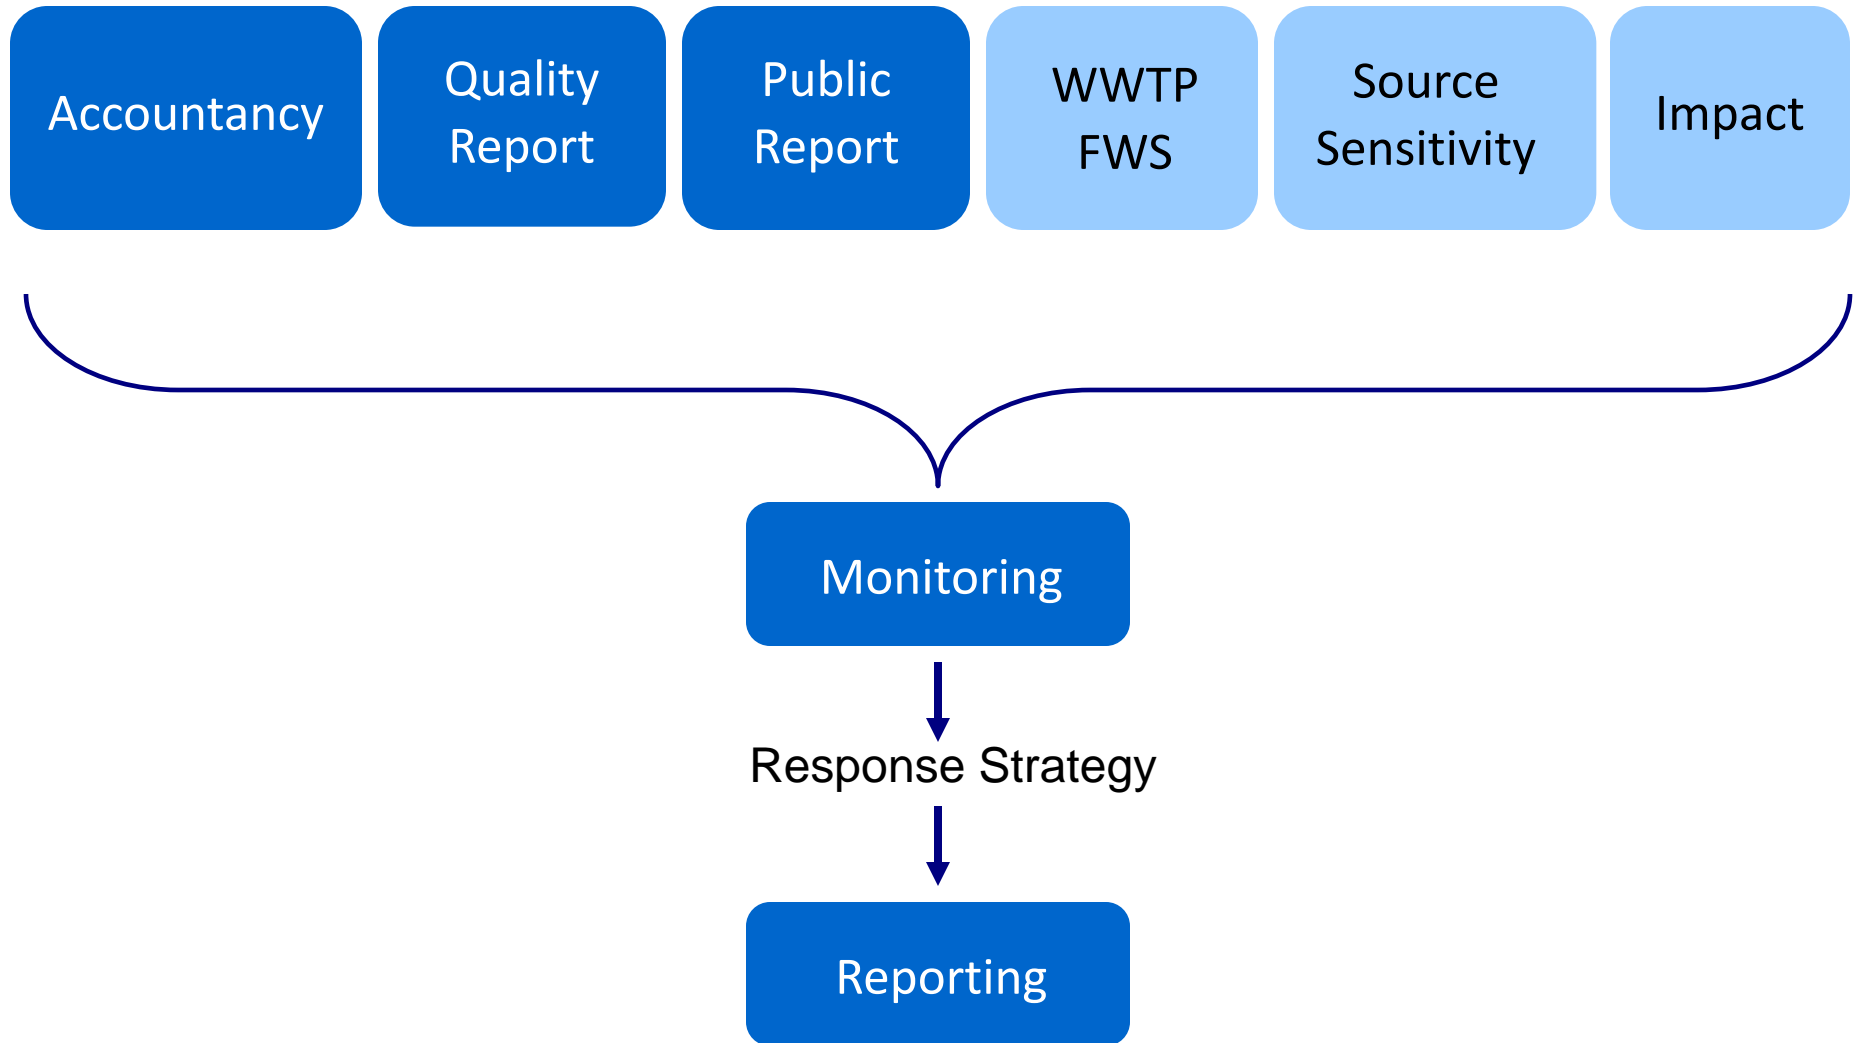

# Disclosure Needs: Stakeholder relations

# Disclosure Needs: Stewardship opportunities

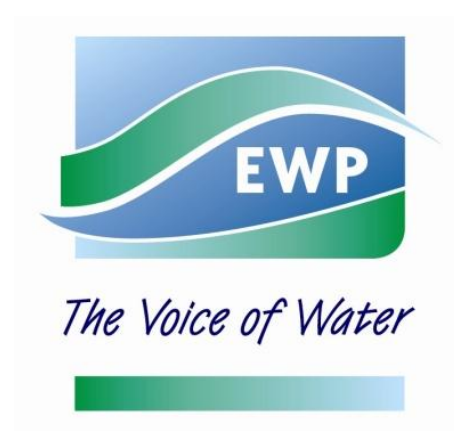

# Disclosure Needs: Lessons learned

---

- Provide communication tools
- Encourage operational water management strategy
- Create cooperation with authorities
