

CEO WATER MANDATE

Dear UN, Global Compact Office,

On behalf of our leadership team, I write to indicate our company _____ endorses the CEO Water Mandate and commits to adopting and implementing a comprehensive approach to water management that incorporates, over time, the initiative's six commitment areas:

1. Direct Operations
2. Supply Chain & Watershed Management
3. Collective Action
4. Public Policy
5. Community Engagement
6. Transparency

We understand that as part of this commitment, we will develop an annual "Communication on Progress - Water" OR water-specific component of our broader UN Global Compact "Communication on Progress" OR submit our response to CDP's annual water questionnaire to be posted publicly on the Mandate website per the Mandate's Transparency Policy.

CEO Water Mandate recommends endorsing companies contribute anywhere from \$5,000 – \$ 30,000 annually depending on their revenue. Annual fees for participation in the CEO Water Mandate/Water Resilience Coalition are additional to, and cannot substitute for, annual participation fees in the UN Global Compact or its Country Networks.

Financial contributions for the CEO Water Mandate are non-compulsory and separate from the required membership dues for participation in the UN Global Compact.
